

KAMIAKIN

FEI PRE STALLION

8 June 2017

Greetings,

Congratulations! You have chosen to breed your mare to one of the top PRE dressage stallions in the USA. Below are some additional details regarding purchasing and shipping.

1. Each breeding dose contains either 5 or 6 (0.5ml) straws. This variation of number of straws is based on providing 250 million progressively motile sperm (post-thaw) per dose. Kamiakin was collected multiple times as part of the freezing process, and as such the total number of straws you receive per dose depends on which collection we are pulling the straws from. Regardless if you receive 5 or 6 straws, you will receive a total of 250 million progressively motile sperm per dose.
2. Purchasing a breeding contract with a live foal guarantee (LFG) entitles you to a total of 6 doses of frozen semen for the breeding season, shipped on a per cycle basis at 2 doses per cycle. An additional two doses can be purchased for \$400 per dose.
3. Resulting purebred PRE foals are eligible for registration with ANCCE, IALHA, and FPSH. Cross bred foals are eligible for registration with IALHA.
4. You must notify us of a successful breeding **no later than November 1 of the breeding season** in order to receive a breeding certificate for that season. We reserve the right to reject requests for breeding certificates after November 1.
5. Payment can be made by bank transfer, credit card via Paypal, or paper checks. Please send an email to **info@kam-pre.com** for specific payment details based on your chosen method of payment. Payment of the booking fee and breeding fee must be paid in full prior to the first shipment of semen.
6. Upon receiving your payment, we will contact UC Davis to alert them to release your breeding dose(s). You will then need to contact UC Davis directly to give your payment details for the cost of the shipping.
7. You are responsible for all shipping costs. Currently rates are as followed (as of June 8, 2017 - please check with UC Davis to verify these are still accurate):
 - Dry Shipper Deposit: \$1,025.00 (refundable when it is returned)
 - Dry Shipper Rental: \$57.00
 - Prepare Frozen Shipment: \$150.00
 - Shipping: Dependent on location / Shipped via Fed Ex Express Overnight
 - Insurance is available through Fed Ex at an additional cost
8. UC Davis requires 2-3 days notice to charge the dry shipper prior to shipment.
9. All rates subject to change without notice.

Please feel free to contact us with any additional questions.
